Keep A Boat Afloat

The Event is **FREE!!**

Location: Grove Cove Lazy River at the Maple Grove Community Center; 12951 Weaver Lake Road.

Date/Time: July 17th @ 3pm (please arrive 15mins early at the outside pool entrance).

Please provide a Facts Sheet on the day of the Event.

The Sheet should include who helped make it, a group name, and any fun facts about the craft that you can think of.

This sheet will be read during your run.

FIRST PLACE: \$50
SECOND: \$30
THIRD: \$15

The goal is for your team to build a homemade boat that can float a 24pk of pop without getting the pop wet.

The craft will be scored based on Creativity, Design, and Seaworthiness.

Boats should be homemade and not pre-made boats bought at a store.

No tacks, straight pins, or crate paper can be used.

No Breakable items can be used and any craft may be rejected if contamination or damage to the river is possible.

The boats will need to be guided by a member of your team who is in the water through the Lazy River at Grove Cove, which is 3½ feet deep, and the boat must survive the whole river, please no motors.

Both cube and rectangular 24 packs of pop will be supplied. For safety reasons you will not be able to ride your craft.

If you have any questions about the event including what is/isn't allowed or how things will be scored, please contact us **email: jason.pruhs@mgco.org**
