

Maple Grove Days 2026 Rotary Bed Race

Supporting Peaceful Dreams for Kids

It's fun to be part of the annual Rotary Bed Race during Maple Grove Days. But did you know you're also helping families in our community sleep well at night?

Thanks to race sponsorships and donations raised by participants like you, we can provide beds to local families in transition or in need. Every penny raised goes to the Peace of Mind Housing Fund at CROSS Services. The Peace of Mind Fund is an example of our community truly working together. Beds are constructed by members of the Rotary Club. The Maple Grove Quilters group sews beautiful bed covers. And, with the money you raise, volunteers shop for sheets, pillows, blankets, and books for bedtime stories too.

What you get for your Sponsorship: In addition to the good your dollars will deliver, you have the opportunity to advertise your business by marching in the parade with the Rotary Club of Maple Grove in the Bed Race group. Your sponsored bed can be "skinned" with your logo and business name so all spectators will see your bed each time it's raced in the event. And, each time your bed is raced, a "commercial" for your business is read to the crowd of spectators that typically line both sides of Main Street in downtown Maple Grove. If you have 5 people to push your bed, awesome! If not, we'll provide a team for you.

Quote from Casey Van Winkle - Owner of First Class Mortgage.

"I helped start the Peace of Mind Housing Fund. I am also a father of three small children and there is nothing more precious and peaceful than looking at kids all tucked into bed and drifting off to sleep. We want that for all children in our community. I am asking for us to rally together for this year's Rotary Bed Races. CROSS Services and Rotary have been trusted partners of this city for decades. Both organizations volunteer countless hours and pour their hearts into making communities better. Your involvement is vital in making this event a success. Let's make this year's Bed Races one to remember!"

Since 1977, CROSS Services has made it their mission to provide compassionate services and programs to people in need. CROSS serves families and individuals in Maple Grove, Osseo, Rogers, Corcoran, Dayton and Champlin. Maple Grove Rotary was founded in 1990 and their mission is to provide service to others, promote high ethical standards, and advance the world understanding, goodwill, and peace through its fellowship of professional and community leaders.
